Hôtel Restaurant Les Avisés

Dear Guest,

As a valued and loyal guest of our hotel and restaurant, Les Avisés, we would like to inform you of a change to our opening arrangements as of January 2027.

Since the very beginning, we have been committed to offering you a warm welcome, attentive service and a high-quality experience every time you visit us. Your satisfaction remains our top priority.

We are also deeply committed to ensuring that our team members — the people who make it possible for you to fully enjoy your stays with us — can maintain a healthy balance between their professional and family lives, while continuing to thrive in their work.

Therefore, as of January 2027, both our hotel and restaurant will be closed at weekends, following Saturday morning departures. This decision has been carefully considered and reflects several essential objectives:

- *to welcome you in the best possible conditions and offer you a complete, high-quality wine tourism experience by concentrating our activities over a more limited number of opening days, while focusing on periods when there is genuine demand;*
- *to preserve the well-being of our teams and enable them to achieve a better balance between their professional and family lives, thereby strengthening the loyalty and stability of our employees, as well as the expertise and commitment that have become part of our establishment's reputation.*

Since we first opened, the restaurant has been closed on Tuesdays and Wednesdays. Thanks to this new approach, we will now be delighted to welcome you both to the restaurant and the hotel from Monday to Friday, making it easier for you to plan your stay and giving you the opportunity to enjoy a complete experience with us.*

Elise and Marie remain, of course, at your disposal should you have any questions regarding this change, and will be delighted to assist you in planning your future stays.

We would like to sincerely thank you for your trust, your loyalty and your understanding.

We look forward to welcoming you again very soon.

The Selosse Family and the entire Les Avisés team

**Open from Monday lunchtime through to Friday evening. Breakfast will also be served on Saturday morning for hotel guests departing that day.*
